**Re: *United States v. Kim*, 23-CR-00078-RMB**

Dear Judge Berman:

We represent the defendant, Young Beom Kim, in the above-referenced case. We write to respectfully request that Mr. Kim's surrender date be extended for 90 days or to July 22, 2024 to allow the Bureau of Prisons sufficient time to designate a facility.

Mr. Kim was sentenced on March 13, 2024, and this Court directed him to surrender before 2 p.m. on April 22, 2024 to the facility to which he will be designated. (ECF No. 47, at 2). Mr. Kim has not yet been designated to a facility for surrender. The Court recommended at sentencing that Mr. Kim be placed in a facility in which his health concerns/issues can be treated and preferably a facility in the tristate area. (ECF No. 47, at 2).

Officer Christopher Ziegert of Pretrial Services has no objection to this request. We have spoken with the government, who also does not object to this request. Mr. Kim has not previously requested an extension of his surrender date prior to the filing of this letter.

Respectfully submitted,
